

Meet the Candidates of the Working Class Party:

Sam Johnson, for U.S. Congress, District 13
Mary Anne Hering, for State Board of Education
Gary Walkowicz, for U.S. Congress, District 12.

**Elections can't change
the disastrous situation working people face.**

**But we can use the elections
To show we are fed up with both parties.
To say, we want a working class party,
We want a party that speaks for our class.**

Vote Working Class Party, Nov. 8
