

Stop the Reactionary Attack on Women!

The vile attack by Rush Limbaugh may be more crude –

- **Calling a woman who uses contraceptives a “slut” and a “prostitute.”**

But he was only saying explicitly what reactionary politicians and other scum have been saying about women for years –

- **That women’s only sexual role is to bear children.**
- **That contraception is sinful.**
- **That choosing an abortion makes someone a “baby killer.”**

Whether and when to have a child is the most significant decision most women make.

- **It impacts everything about their own life – and on the life of their family.**
- **Very few women make that decision lightly.**

How dare anyone else – radio “commentator,” religious official or politician – dictate to women what choices they can make!

The attack by the Susan G. Komen Foundation on Planned Parenthood was an attack by wealthy, reactionary socialites on working class women, and therefore on the whole working class.

- **Poor and working class women are the ones who get breast cancer screenings at Planned Parenthood.**
- **They are most of the women who get contraceptives there.**
- **In many states, Planned Parenthood is the only clinic left that will provide abortions and medical counseling.**
